CGPA: 3.95/4.0 | Research Paper on Vietnamese clause structure and semantics | Graduate Excellence Award

Bachelor of Arts (Honours) in Linguistics, *Saint Mary's University, Halifax, NS, Canada* 01/2020 – 01/2024
CGPA: 4.21/4.30 | Minor in Psychology | Dean's List, 2020–2022 | Academic Award of Excellence

Certificate in Teaching English to Speakers of Other Languages (CELTA), *Saint Mary's University* 07/2021

Other selected awards: Master's Research Scholarship, Fonds de recherche du Québec (FRQ; 2025–2026); Linguistics Book Prize, Saint Mary's University (2024); Explore Undergraduate Summer Research Award, Social Sciences and Humanities Research Council (SSHRC; 2022).

Experience

Teaching Assistant, *Department of Linguistics, McGill University* 08/2025 – 05/2026

- Delivered weekly conference sections across two consecutive terms, reinforcing lecture content and guiding students through problem sets;
- Designed supplementary explanations and practice examples to clarify core linguistic concepts;
- Graded assignments and exams and proctored exam sessions, applying clear and transparent evaluation criteria;
- Provided individualized written feedback to help students strengthen their linguistic analysis skills;
- Supported student learning through regular office hours and one-on-one review sessions outside of class time.

Linguistics Tutor & Teaching Assistant, *Saint Mary's University* 09/2021 – 04/2023

- Tutored undergraduates in core theoretical and analytical concepts across multiple linguistics courses;
- Helped students build confidence and independence in applying linguistic analysis methods to coursework;
- Assisted with course delivery, grading, and exam review sessions for additional undergraduate courses.

CELTA Teaching Practice, *The Language Centre, Saint Mary's University* 07/2021

- Completed the required teaching practice with mixed-nationality groups from elementary to upper-intermediate levels;
- Taught lessons targeting reading, listening, speaking, writing, grammar, lexis, and phonology.

Online ESL Tutor, *Langmaster* 02/2020 – 08/2021

- Designed and delivered online English lessons for Vietnamese-native learners ranging from beginner to upper-intermediate level;
- Created a flexible, conversation-focused learning environment tailored to each learner's pace and goals;
- Diagnosed grammatical and structural issues in learner writing and built individualized study plans to address them.

ESL Teaching Assistant, Apollo English

09/2019 – 12/2019

- Collaborated with lead teachers to enhance in-class learning experiences for young Vietnamese-native learners (ages 5–12);
- Communicated student performance and progress to parents, including translation support when needed;
- Coordinated logistics for lessons, activities, and assessments via the ALeX learning system and SMS.

Research Assistant, Saint Mary's University

11/2021 – 04/2023

- *Program in Linguistics (03/2023 – 04/2023)*: Recruited participants and managed data collection and preparation for a behavioral research experiment
- *Department for the Study of Religion (11/2021 – 04/2023)*: Translated Vietnamese-language materials and coordinated logistics for a multi-year research project
- *Summer Research Assistant, SSHRC Award (05/2022 – 08/2022)*: Digitized and coded a Mende-language utterance database to support phonological analysis
